LOCAL BOOSTER DELEGATION WILL GO TO HEPPNER ALSO

SPOKANE PARTY WILL LEAVE TONIGHT—GO TO GO ON THE TRIP.

Not only will Pendleton send a booster delegation to the Spokane fair this week but will also send one to the Heppner fair. With the party of sixty and the band made up Saturday afternoon, thus assuring the Spokane trip, President J. V. Tallman of the Commercial association and Judge G. W. Phelps this morning commenced a canvass to make up a party of 75 to go to Heppner. The response was general and by noon more than half of the necessary number of names were secured.

The plan contemplates leaving Pendleton on a special Pullman train at 10 o'clock on the night of Thursday. The entire day of Friday will be spent at Heppner, the train returning that night and reaching here early Saturday morning.

That Spokane is anticipating the

visit is evidenced by the following letter received this morning by the commercial association:

The Pendleton Round-up Association, Pendleton, Oregon.

Gentlemen:—We have been advised by the local officials of the O-W-R & N that a party of seventy-five of the members of your organization and the Pendleton commercial association will arrive in Spokane at 7 a. m. next Tuesday, September 15.

We are very pleased to receive this information, and hasten to extend an invitation to your entire party to be our guests at a luncheon Tuesday noon in the assembly room of the chamber of commerce.

It has been suggested that we secure a permit from the department of public safety for your delegation to make such a demonstration in the business section of the city as will attract attention to the Pendleton Round-up, and we will make the necessary arrangements.

Will you kindly telegraph us Monday forenoon if this invitation to attend our luncheon is accepted by your party, and the exact number that will come.

Assuring you that it will be a pleasure and a mutual benefit, we believe, to have your party in Spokane, we are

Yours very truly,

SPOKANE CHAMBER OF COMMERCE.

Board of Equalization Meets.

The county board of equalization commenced its regular meeting in the commissioners' room of the court house today for the purpose of listening to complaints of over or under assessments of property.

Land Sold at Sheriff's Sale.

Eight acres of land near Umatilla brought \$2525.12 at a sheriff's sale this afternoon, the plaintiff in the foreclosure suit of Christiani Stewart vs. A. E. Crowley, et al, being the purchaser.

Doctors Return.

Dr. R. E. Ringo and E. O. Parker have returned from Portland where last week they attended the annual convention of the state medical society. Mrs. Ringo and baby, who spent the summer in the metropolis, returned with the doctor.

Duncan Agent to Echo.

Agent Stearns, who has had charge of the O-W-R & N. station at Duncan for so long that the memory of man runneth not to the contrary, has been transferred to Echo at his request to take a position under Agent P. C. Hunter. He is making the change in order that his son may attend the school there.

La Dow in New Location.

G. I. LaDow completed moving his stock of sporting goods to his new location in the new Berkeley block, corner of Main and Alta, Saturday, and though not completely straightened up yet, he is open for business. His new quarters are very attractive and the location one of the most desirable in the city.

Wheat Market Still Off.

Local wheat buyers still unite in declaring they are out of the market and there is no wheat changing hands at present. The Portland market is reported today as unchanged but the Chicago market is said to have shown a decline. The foreign export business is said to be in sight out of Portland, thus making the present lull appear unnatural.

Arm Broken in Fight.

Clayton Luna is today wearing his arm in a sling and "Shorty" Saunders presented a rather bruised countenance to view as the result of a bloody encounter between the two men in a vacant lot on West Webb street Saturday evening about 8:30. A Mrs. Lind, who is Luna's divorced wife, was more or less responsible for the row. Both she and Saunders work on the La Fontaine ranch on the reservation and had come to town Saturday with the two children of the woman. While walking along the street near the Headlight restaurant they encountered Luna who stooped to pick up the little girl. This precipitated a fight. Luna, knocking Saunders down a number of times, the woman tried to assist the latter by wielding her fists against her former husband. The police arrested both and Luna discovered his arm was broken after he was taken to jail. Dr. Temple reduced the fracture and the two men were kept in jail over Sunday. This morning each paid a \$10 fine.

Round-up Steers Arrive.

Dorothy Morrell, winner of the cowgirls' bucking contest at Cheyenne last month, and "Skeeter Bill" Robbins, the elongated cowboy who

has been at two previous Round-ups, arrived this morning to remain until after the local show. Chester Byers, one of the champion trick and fancy ropers under contract to the Round-up, arrived Saturday from Omaha.

Veteran Prospector Here.

F. G. Hamilton, a pioneer prospector now in his seventieth year, is here from eastern Linn county where he has a mine on the Blue river in the Calipoola district. He has taken out some ore which is said to have assayed \$96 in gold and \$12 in silver.

Newquist Barn Burned.

Report comes from Coombs canyon that Carl Newquist, well known young farmer of that vicinity, lost heavily in a fire which last night destroyed his barn, garage, automobile, harness and considerable of his farm equipment. The origin of the fire is unknown.

Coleman to Sing at Spokane.

The carload of the Scotch comedian and composer of the song, "My Heart Goes Back to Dear Old Pendleton," will accompany the Round-up junket party to Spokane tonight and will sing his song at the luncheon which the Spokane chamber of commerce will give the party.

New Steers Arrive.

The carload of Mexican steers recently purchased by the Round-up board for use at the show next week, has arrived and the long-horned animals are now in the corrals. They are a fine lot of the only kind that present a good appearance and make worthy sport at a frontier show.

Mrs. Henderson Ill.

Mrs. Henderson, wife of A. C. Henderson, formerly of Pilot Rock, who recently purchased the George Perin property at the corner of Court and Thompson streets, is ill with nervous trouble. For a time she took treatment at Hot Lake, but is now here, the family residing on Thompson street.

Leaves to Enter Whitman.

Ward Manker, one of the spring graduates of the Pendleton high school, left yesterday evening for Walla Walla to enter Whitman college, having been awarded a scholarship in that institution. Young Manker spent the summer in the signal service department of the O-W-R & N, working out of La Grande and Joseph.

Spain and Vernon Back.

John Spain and Buffalo Vernon, noted Round-up performers, have returned from Vancouver, Wash., where they took part in the wild west show in connection with the fair there last week. Spain was successful in winning the bucking contest by keeping his seat on Irwin Bros. "Steamboat" while Vernon, though handicapped with a fast steer, took down second money in the steer roping.

Osborne Wins Another.

"Chief" Wheeler Osborne, former Pendleton pitcher, added another victory to his string since he has been with Tacoma when he held the Ballard club to one run while his own teammates were making two off Henry Peterson, former Yakima pitcher. Osborne allowed seven hits and walked four men. In three times at bat he got one hit. Melvor, former La Grande pitcher, also beat Ballard the same day.

New Buckers Good.

The verdict of the Round-up directors is that the Arlington and the two John Day outlaws recently purchased have made good and will be first string buckers. Their verdict is based upon the showing of the animals in the tryouts. The Arlington horse looks particularly good. He is a big, powerful sorrel on the order of Long Tom and in the three times he has been mounted he got his man every time. A fine tryout was held Saturday afternoon, four out of five of the horses throwing their rider.

Anti-White Slave Lecture.

At the Baptist church Thursday afternoon and evening, Dr. F. H. Esert, international lecturer for the Anti-White Slave Association, U. S. A., will deliver two lectures bearing upon the subject on which he is working. His afternoon lecture will be for women only and will be on the subject, "The Scarlet Man." The evening lecture will be for men only on the subject "A National Peril, the Taxpayers' Burden." The lectures will be free and intended to forward the nation-wide fight being made to overthrow commercialized vice.

Here for 50 Years.

T. F. Howard, local architect, is today celebrating the fact that this is the fiftieth anniversary of his arrival in Umatilla county. He reached here from Iowa on September 14, 1864. At that time there was no Pendleton and for 10 years the family resided in Walla Walla. In 1875 they moved to Pendleton, since which time Mr. Howard has been a continuous resident here. He was a schoolmaster with Major Lee Moorhouse and other local old-timers.

Bayonet Battle Sways.
LONDON, Sept. 14.—A dispatch to the Exchange Telegraph company from Rome says it is reported from Basel that 90,000 men were engaged

in a fierce battle between Thaur and Senheim. The Germans occupied the Ganweiler valley at the foot of the French Vosages. Both sides repeatedly charged with bayonets. The Germans received reinforcements by armored trains. They are reported to be bringing hundreds of wounded to Basel.
